INTERNATIONAL

This is a partnership between The Foraker Group and Context International and is supported through a generous contribution from BP.

Catalyst for Nonprofit Excellence: Investing in Alaska's Nonprofit Future

The series is broken into five sessions that build on each other. Each step is separated by some time to allow leaders to integrate and apply their learning and prepare for the next step.

1. **The Pursuit of Excellence for Leaders** – Assessing My Personal Context and Laying the Foundation For More Effective Leadership – What must I know about myself to become a more effective leader?
2. **The Wall for Leaders** – Clarifying What Drives Me and Confronting Barriers to Effective Leadership – What's in my way to stepping up fully in life and leadership?
3. **The Advancement of Excellence for Leaders** – Empowered Ownership, Implementation and Results – How will I move my organization forward to maximize our contribution to our community and the world?
4. **Commencement** - Celebrate your wins and the wins of your fellow cohort members
5. **Launch** – Implementation, Reflection and Support - How may I reinforce my support network to continue to see positive results?

Our Partners:

The Foraker Group has sought out the perfect partners for this exclusive offering. From the beginning, leaders at BP have helped Foraker advance this program. Thanks to their counsel and financial contributions, we are pleased to introduce Alaska to Context International.

What Differentiates Context International?

Context International began thirty years ago with a mission to create a practical, efficient program that would help successful individuals take the next steps in their lives and maximize their contributions to the world. Our programs have proven to be powerful, practical, effective and fun for people from all walks of life. Our founders combined two things to create the powerful courses of Context International: first, lifelong research into the factors that drive effectiveness; and second, a unique, participatory approach to learning. We believe that how you do anything is how you do everything; that the roles in your life are integrated—even if they do not look integrated right now.

This simple but powerful insight drives our courses and assists you in invigorating all aspects of your life. Whether you are seeking personal or professional development, you will get both as you discover your intrinsic ability to create excellence. The Excellence Series offers an engaging, transformative, fast-paced learning experience with proven long-lasting results that has been delivered to over 100,000 people of all ages and from all walks of life including Fortune 500 companies and in many locations around the world.

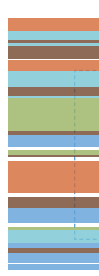

Criteria for selection: Emphasis will be placed on those who are in leadership positions in their organizations. Every attempt is made to select a cohort that represents the diversity of the state and the sector. We are specifically looking for nonprofit leaders who possess these characteristics:

- Provides significant nonprofit leadership
- Makes a difference in the sector by making things happen
